Study Block Application

Lord Byng Secondary School values a broad-based education in which students study a variety of disciplines to gain a better working knowledge of themselves and the world around them. Accordingly, students are expected to enroll in a complete and balanced educational program to prepare them for a lifetime of opportunities and change.

To qualify for a study block, senior students must have a plan to meet graduation requirements while taking less than a full schedule at Byng (students and parents/guardians are responsible for verification of graduation requirements—our counsellors support families with this process as well).

It's important that students with study blocks respect the learning environment for students in classes. Students on study blocks are expected to use the time to work on course material at home (particularly when the study falls in the first or last block), in the cafeteria, or in the library. In the event of an emergency (earthquake or fire, for example), please go to the tennis courts and check in with the office staff there.

Student Information:

Student Name: _____

Date: _____

Student Number: _____

Student Email: _____

Reason for Study: _____

Where do you plan to be during your Study block: _____

Student signature: _____

Parents/Guardians, please read the following before signing:

- I acknowledge that students will be unsupervised during this Study block
- I understand that students will not receive credit for a Study block
- I acknowledge that the school may not be able to timetable my child back into a course at Byng at a later point in the school year, should they change their minds (we'll do our best)
- I understand that students enrolled in fewer than seven on-timetable courses in grade 11 or six on-timetable courses in grade 12 are not eligible for school-related scholarships/awards.
- I acknowledge that grade 11 students I may apply for one study block, and grade 12 students may apply for two study blocks. Anything less is a partial schedule and requires exceptional circumstances and a parent meeting.

Please contact your child's counsellor if you have questions or concerns.
