ARCHITECTURAL/STRUCTURAL CADD AND GRAPHICS TECHNICIAN

Program Outline

This program offers two areas of specialization: Architectural CADD and Graphics Technician and Structural CADD and Graphics Technician.

These programs offer training for a variety of applications in architecture, building construction and industrial applications. CADD (Computer-Aided Drafting and Design) is an integral part of these drafting programs.

All students begin in September and must complete a drafting and CADD core and specialty.

Application Process - apply in Grade 11

Start by visiting careerprograms.vsb.bc.ca to download an application. Students are encouraged to discuss the application with a school counsellor and family.

Application Deadline	March 1st
Interview Period	March - April
Acceptance Decisions	April - May
Orientation Session	Late-May

Specific details about the Orientation Session will be included in the acceptance letter. Students must attend along with a parent or guardian.

Program Location & Intake Dates

This dual credit certificate program takes place at the BCIT campus in Burnaby.

The program runs from September through June. Class hours are from 7am to 1:30pm, Monday to Friday.
