Dear Carr Community,

We are heading into the May long weekend which heralds the informal beginning of summer! Let's hope for warm and sunny days, and a chance to enjoy more of our beautiful Vancouver outdoors. The weather has cooperated (mostly) for the last two weeks of Elevate Ultimate, where Emily Carr students have been learning how to play ultimate frisbee in their PE classes. All divisions have had an opportunity to practice their frisbee and teamwork skills in lessons, and at our recess and lunch breaks. As an additional bonus, coach Jazz is volunteering his time to give students an extra opportunity to use their skills in a mini ultimate frisbee tournament at Carr. We are limiting the number of participants to 50 students in Gr. 4-7. Please see details below:

When: 11:50a.m. – 12:50 Thursday May 26

Where: Emily Carr field

Who: Anyone in Grades 4 - 7 (Limited to 50 students)

Price: FREE! Please register here: <https://forms.gle/3rpz79dXAqZEJzca>

Sports Day planning is in the works. Our grade 7s have created 14 fun-filled challenge stations through which students will circulate on May 27th. Sports Day will officially be over at 2:00 p.m. when parents may pick up their kids if they choose to do so, otherwise school will be in session till 3:00 p.m. A big thank you to PAC for supplying the cool treats for Sports Day recess break!

Hub Cycling is providing free bicycle safety lessons to students in Divisions 1, 2, 3 and 4 starting June 3rd. These important lessons will ensure students know how to govern themselves while cycling in the city and aim to encourage a love of biking that will last a lifetime. Students in these divisions will be bringing home information and permission slips tomorrow.

News from the Library:

Thank you for supporting the Virtual Scholastic Book Fair! All orders will be delivered to students' classrooms to be taken home this Friday, May 20th. If you purchased books to donate to your classroom teacher, they will be included in your students' order.

Notices for overdue library books will also be sent home as a reminder to search for books that are late or lost. If students are certain that they returned the book, they are welcome to help look in the library to see if it has been shelved without being checked in. We will also be

reducing the number of books being checked out over the next 2 weeks as all books must be returned to the library by Friday June 3rd.
Thank you in advance for your assistance!
