Dear Parents and Guardians,

The role of the Class Parent is an important one at Lord Tennyson, connecting the teacher to the parent community of the class. This contact is made via e-mail and is made possible by parents giving their consent to have their e-mail used by the Class Parent for class-wide communications.

The purpose of this message is twofold:

- ✓ To promote interest in becoming a class parent. **If you would like to become a Class Parent, please contact your child's teacher by Monday, October 8th, 2018.**

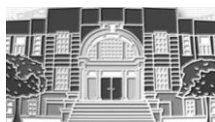

- ✓ To gather consent from the parent community for their e-mail addresses to be shared with the Class Parent for class communication. By reading this message you consent to having your e-mail address shared with your division's Class Parent. **If you do not want your e-mail address to be given to the class parent, please notify your classroom teacher and state that no consent has been given.**

Thank you for your attention.

Sincerely,

The Lord Tennyson Administrative Team
