Teacher:

Reason for withdrawing:

- 800: Student and/or their family has chosen that the student withdraw from this course.
- 801: Student and/or their family has chosen to withdraw from this course to take it at their homeschool.
- 802: Student and/or their family has chosen to withdraw from this course because it is not needed to satisfy graduation requirements.
- 803: Student and/or their family has chosen to withdraw from this course because it is no longer required for their post-secondary program.
- 804: Student and/or their family has chosen to withdraw from this course because the student no longer has time to complete the course.
- 806: Student and/or their family has chosen to withdraw from this course because it is not appropriate for their learning needs.
- 807: Student and/or their family has chosen to withdraw from this course to take it at another online school.

Is there anything that we can do to help you finish the course instead of withdrawing?
