### **PAC News**

In this season of giving, please remember the **Lord Byng PAC Annual Fundraising Campaign!** Thanks to your incredible generosity last year, we raised over \$24,355.00—an amount that made a tangible difference in the lives of our students. This year, our funding goals have grown, to continue improving the educational experience for our students. We need support for key areas of Technology, Arts, and Sports! Follow this [link](#) to the December newsletter for more information (scroll to page 8), and instructions on how to donate.

And here's another seasonal message courtesy of DPAC (the VSB District-wide PAC), who've created a [list](#) of mental health resources for parents and caregivers.

### **Grad Committee News**

Please help support the Grad Committee over the winter break by saving all your pop cans, water/alcohol bottles and plastic jugs for our next Bottle Drive Fundraiser! We need many volunteers to help make this event a success. Please click on [this link](#) to sign up to volunteer. Thanks in advance!
