# Drawing

## Classes for Kids

Young Rembrandts

## David Lloyd George Elementary

Grades 1st to 6th

We are back to school and back to drawing with Young Rembrandts! This session's selection of drawings introduces our students to a fascinating world of colour, pattern, and design. We say goodbye to our favourite summer memory in our detailed still life drawing of a beach. We will explore colour usage and composition in our silly monster and fire truck drawings. You will also be MOOOOOved with our stylized patterned cow drawing.
