

Driving your children to and from school? Let's be safe!

- drive the speed limit,
- park legally,
- respect the cross-walk,
- be aware of children on the street and in the sidewalk,
- and be extra cautious in our parking lots
- remind your children about pedestrian safety (look both ways when crossing, cross at corners or cross walks, walk in parking lots)

Park/drop off only in designated areas: East parking lot, 67th Ave (south side) has a 3 minute drop off zone, 67th Ave (north side) has unrestricted parking, the parking lot of the former school is still available but please take care.

The **Ministry of Education and Child Care** has provided all schools with extra funds. Please contact a staff member if you are in need of some extra support and they will have the office contact you.
