West Coast Seeds FUNDRAISER

Do you know someone who likes to garden? We will be running a West Coast Seeds Fundraiser. Purchase through our organization.

For more information visit Ms. Lau
in mini 6
Purchase between Jan. 5-24!!!

Do you know anyone who likes to garden? This year we are running a fundraiser with West Coast Seeds to help raise funds for our school garden. For every packet we sell we will earn 40% profit for our garden! Our campaign happens January 5-24.

All seeds can be ordered on the fundraising site ([Prince of Wales Secondary School – WCS Fundraising](#)). Please ensure that you order from this site only, otherwise we will not earn the 40%. Once you have completed your order, follow the steps to check out and add in your details so that we can contact you when the orders are ready for pick up. Please remember to add the name of the students or teacher you are supporting.

Please make sure to order by **Jan 24, 2026**. If you have any questions, please contact **Ms Lau in mini 6, Aidan Pang (12) or Alan Peregrym (12)**.

Thank you for supporting our school garden! Spread the word.
