A photograph of the Vancouver Technical School building, a large, multi-story structure with a light-colored facade and numerous windows. The school's name is inscribed on the upper part of the building. A large evergreen tree stands to the right of the entrance, and a stone pillar is visible on the left. The entire image is framed by a white, hand-drawn style border.

LSP

A two-year secondary program offering an adapted/core curriculum, remediation and regulation strategies for Grade 8 and 9 students identified as learning disabled

INCLUSION MODEL

LAC - District Program

Designed for students who have mild intellectual disabilities.

Every attempt is made for inclusion opportunities into elective classes.

Students are provided with instructional tasks at the appropriate level in an individualized program

SEMI-INCLUSION MODEL

SECONDARY LIFE SKILLS - District Program

Small supportive classes for students with Autism, Physical Disabilities, Deaf/Blind, Chronic Health and a Moderate to Severe Intellectual Disability.

Learning Hub Support

Learning HUB Support Block

Provides: targeted support, help students build skills, work on their IEP goals and promote success in school.

Case Managers, Counsellors and Admin will determine which recommended students will receive a Learning HUB Support Block.

Parents will have to agree to this support block in lieu of an elective, please ask families to complete form.

Send completed forms through email/blue bag to Nick Van Iersel by Feb. 13.

Learning Hub Support

- Students have access to various learning supports, from full-time enrollment in the Learning Hub's competency-based curriculum to "drop-in-as-needed" assistance for immediate help with courses.
- The Learning Hub has a team of teachers available to support students in every subject.
- Teachers are available throughout the day, providing targeted and individualized support tailored to each student's specific learning needs.

A detailed map of the Paris Metro system, showing various lines in different colors (blue, red, green, yellow, purple, orange) and station names in French. The map is centered on the city of Paris, with major stations like Gare Saint-Lazare, Gare de l'Est, and Gare d'Orléans visible. The map is used as a background for the text boxes.

Academic Support

- **Encourage consistent study habits:** Set up a routine for homework, reading, and reviewing vocabulary in French.
- **Promote French outside of school:** Conversations at home, French movie night, books, listen to french music.

Family Involvement

- **Stay informed:** Attend parent meetings, read school newsletters, and communicate with teachers when needed.
- **Provide structure at home:** Quiet spaces for homework, regular check-ins on assignments, and routines for study and rest.
- **Celebrate milestones:** Recognize effort, improvement, and achievements—positive reinforcement boosts motivation.

A group of students in a classroom are raising their hands, indicating they have questions. The students are diverse in age and appearance. In the foreground, a student with blonde hair and glasses is partially visible. Behind them, a student with brown hair and a grey cardigan is raising her hand. To the right, a student with red hair is also raising their hand. In the background, a student with dark hair is standing. The classroom has a bulletin board with various posters, including one with the word 'CHATELET' and another with 'CONCORDE'. There is also a bookshelf filled with books on the right side of the frame. The word 'Questions!' is overlaid in the center of the image.
