

Fun Facts #2

TERM 3 SPORTS

Volleyball

- 1) Volleyball was first a demonstration sport in the 1924 Olympics held in Paris, yet it wasn't until the 1964 Olympics in Tokyo when the first medals were awarded.

Soccer

- 1) In China, the first soccer balls were made from sewn clothing that was filled with rubble. In Europe during the Middle Ages, soccer balls were made from inflated pig bladders.

Ultimate

- 1) The inventor of Ultimate, Walter Morrison played around with different names for his new game, including Flyin' Saucer, Whirlo-Way, and Pluto Platter.

Track and Field

- 1) Over 200 countries participate in major track & field meets such as the Olympics. Track & field is kind of a big deal!

Softball

- 1) The fastest softball pitch thrown by a female is Zara Mee from Australia. It was thrown at 111km/hr (68.9mph) on May 8, 2005.

Badminton

- 1) Badminton is the fastest racquet sport in the world—shuttles can reach speeds of over 200 miles per hour!
