Safe Arrival and Reporting Student Absences

To report your child's absence, please call **604-713-5159, Ext. 39**, prior to 9:00 am on the first day of the absence. If your child arrives late to school, they should report to the office and sign-in.

National Day for Truth and Reconciliation Monday October 2 - No School for Students

JQ families, please remember schools will be closed Monday October 2 in lieu of the National Day for Truth and Reconciliation Saturday September 30.

JQ staff and students were invited to wear orange Friday September 29 to honour the survivors of residential schools.

School will resume Tuesday October 3.

Foundation Skills Assessment (FSA)

In the coming weeks, students in grades 4 and 7 will participate in the Foundational Skills Assessments (FSA). These assessments focus on students' literacy and numeracy development. As mentioned earlier this week in a message from our superintendent to families of students in grades 4 and 7, the FSAs provide valuable information about how students in Vancouver schools are doing. Individual classroom teachers can use assessment results as one measure of how students in their classrooms are doing and where they need more support. As a school district, FSA results are used to help make evidence-informed decisions about where we need to focus resources and supports to enhance student learning.

The Ministry of Education and Child Care has more information about FSAs – available in a variety of languages. Here are links to that information.

Coughs and Colds

Respiratory illnesses are beginning to circulate within the community. The latest guidance from Vancouver Coastal Health is:

Students who are exhibiting symptoms of illness, including respiratory and gastrointestinal illness, should stay home until they are well enough to participate in regular activities. Those who are vomiting or have diarrhea should be symptom-free for at least 24 hours before returning to school.

If a member of the household is sick, children can continue to attend school and masking is not required.

School staff will continue to encourage regular hand washing. Masks are available in the school office should a student wish to request one at any time.

Dress for cold and rainy weather

The rainy season is upon us, please dress your child for the cold and wet rainy weather. Appropriate outdoor shoes for wet weather are recommended as students will go outside rain or shine.

Drainage work and access to school grounds at the front

VSB Grounds staff will be working on removing roots from the drains on the southwest corner of the schoolyard. The entrance to the schoolyard next to Byng will be fenced off for the next week or two.

Snacks for hot lunch days

A reminder to send a small snack or piece of fruit for your child to eat at mid-morning recess break on hot lunch days.

The following two fees are posted:

Annual basic school supplies: \$35.00

Performance/Activity Fee: \$10.00

This year, parents will not be required to pay for agendas, library book bags, white boards and pens as these will be covered by the school.

School Grounds and Student Pick up/Drop off

Please note that the front playground will be supervised from 8:40 to 9:00 am and from 3:03 to 3:18 pm. At the beginning of each day (9:00 am), classroom teachers will meet students at a designated spot and escort them into the school. At the end of the day (3:03 pm), students will return to the same spot for pick-up by parents. Students not picked up by 3:18 pm will be taken to the office and a parent contacted. Thank you for picking up your child promptly at dismissal.

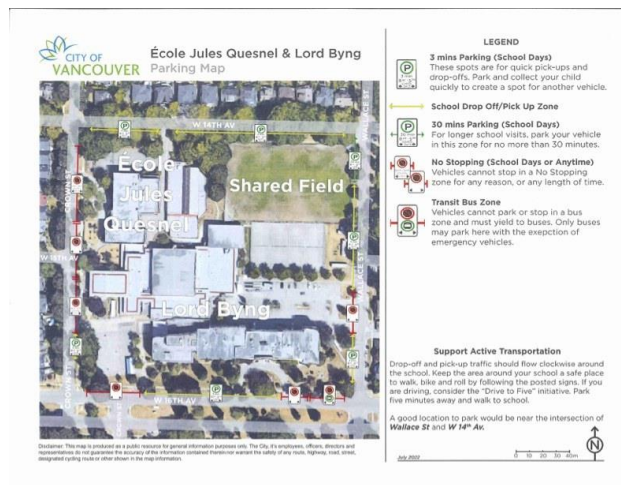

At this time we continue to ask that after pick up/drop off, parents remain off school grounds until 3:18 pm as this allows for easier identification of students who have not yet been picked up by a parent or guardian.

When waiting to pick children up at the end of the school day, parents and caregivers are asked not to crowd around the main entrance to the schoolyard off Crown Street, but to spread out along the sidewalk outside the fence.

Please Note that there have been safety concerns regarding cars and traffic on 14th and Crown street. Students, families and staff are encouraged to consider active modes of transportation for getting to and from school. There is only limited parking around JQ. Families can also consider parking a few blocks away from the school and walking with their child to the entrance.

Please refer to the image below for information regarding parking and traffic flow around JQ.

Terry Fox Run Results

Our school's annual Terry Fox Run was held on the afternoon of Friday, September 15th.

Together, JQ students and staff traveled approximately 1,033.8 kms, about a fifth of the 5,373 kms Terry Fox ran.

The school will continue to accept donations until Friday, October 27th. Donations can also be made online by clicking [HERE](#). All donations are voluntary. Thank you.

Distraction-free Learning

To help maintain a distraction-free, safe and caring learning environment, JQ families are asked not to send children to school with cell phones or other electronic devices.

During the school day, and any time students are in the care of school staff, including field trips and before and after school extracurricular activities, communication between students and families must go through the office or the staff member in charge.

Any electronic device used by students during the school day, including before and after school, recess and lunch, and during field trips and extracurricular activities may only be with teacher or staff permission and direct supervision.

Families that choose to send children to school with a cell phone or other electronic device in case of emergencies during the trip to and from school must ensure their child understands the phone or device may only be used at school with teacher or staff permission and direct supervision. Any personal electronic devices students bring to school must be turned off or put on silent mode and stored in their school bag for the duration of the school day, including before and after school, and during any school sponsored activities.

Students unable to abide by the policy described above will have the phone or device confiscated and turned in to the office. A parent or guardian will be asked to come retrieve the phone or device and be reminded of the policy.

Thank you for helping to ensure a distraction-free, safe and caring learning environment for our students and staff.

Allergy aware school

Allergy Aware School

We ask that families avoid including foods that contain potentially life-threatening allergens such as nuts and nut products in lunches or snacks.

All VSB schools are also Air Aware, meaning students, staff and visitors are encouraged to use fragrance free and unscented shampoos, hairsprays, deodorants, lotions, and other products, and avoiding application of perfume and cologne.

Hot Lunch & Pizza Day News

Dear JQ families - we are pleased to announce that our Hot Lunch and Pizza Day program for this Fall is OPEN for ordering!

TO ORDER: Log in to munchalunch.com if you already have an account from last year. You will be asked to update your child(ren)'s class/division prior to placing your first order.

If you do not have an account yet, go to munchalunch.com/schools/julesquesnel to register and start ordering.

Hot Lunch days are Tuesdays and Thursdays this year. Pizza Days will be on Fridays.

For your convenience, the new ordering deadline for Hot Lunch and Pizza Day is the day before at 8 am. You may place orders for as many hot lunch and pizza dates as you like at one time.

After you place an order, please ensure that you have received an email from MunchaLunch confirming your order dates and food items. Please ensure that you also receive a separate email with your credit card payment receipt.

If your child is away on a Hot Lunch or Pizza Day AFTER THE 'ORDER BY DATE', you may pick up their lunch at the school between 11:30 and 12 pm. For food safety reasons, lunches will not be kept after this time. There will be no refunds after the 'order by' date.

If a class trip comes up on a Hot Lunch or Pizza Day and you have already placed an order for that day and would like to cancel, you can notify the Hot Lunch Coordinator at jqgradeseven2024@gmail.com for a credit BEFORE THE 'ORDER BY' DATE. The credit will need to be used on MunchaLunch by the end of the school year - there will be no credits paid out to parents otherwise.

Lunches this year are supplied by Calhoun's Catering(calhouns.bc.ca). CUTLERY IS NOT PROVIDED, so please send your child with the necessary cutlery for their lunch, as we will not have any at the school. Cheese Pizza slices will be supplied by Dominos.

We invite you to read the attached letter from Calhoun's Hot Lunch Coordinator which introduces our parent population to our new Hot lunch vendor, Calhoun's Catering!

Please note: Calhoun's is NOT a designated peanut-free facility.

Sincerely,

Adrienne Lipson

Letter to families from Calhoun's Catering

Dear Parents,

I hope this email finds you well. My name is Olivia, and I am the hot lunch coordinator for Calhoun's Catering. We are so excited to be providing hot lunches for your children this year and would like to take this opportunity to tell you a little bit more about our company.

We first started out at 3035 West Broadway as Calhoun's Bakery Cafe in 1993 and over the years, have evolved into a full service caterer for customers such as UBC, VGH, VCH, PHSA etc. Related to hot lunches, Calhoun's is also a preferred caterer for the VSB including the Superintendent's office. Our service area is Vancouver only, and our schools this year include: St John's, St Augustine, St Francis, St Patrick's, Stratford Hall, Shaughnessy, Queen Mary, Queen Elizabeth, Lord Kitchener, Carnarvon, Bayview, Emily Carr, Crosstown, Elsie Roy, Hudson and General Gordon, Trafalgar and Jules Quesnel.

The 2 chefs who cook and oversee the hot lunch meals have over 30 years of combined experience at Sheraton hotels.

Calhoun's takes great pride in our staff procedures, food quality, ingredients, experience and facility. In fact, since moving to our new kitchen 6 years ago, we are the ONLY hot lunch provider with a perfect health record from Vancouver Coastal Health's routine inspections:

<https://inspections.vch.ca/FoodPremises/Table?searchText=calhoun%27s>

As parents, you deserve to know that your children's meals are made properly and according to all food safety guidelines, and that your hot lunch provider is up to task.

All your children's meals will be individually packaged, and labelled with their name and division. Meals are transported in special German made heat retention boxes ensuring food safety and are organized according to class or division.

If you have any questions at all, please do not hesitate to contact me.

Sincerely, Olivia
