Safe Arrival and Reporting Student Absences

To report your child's absence, please call **604-713-5159, Ext. 39**, prior to 9:00 am on the first day of the absence. If your child arrives late to school, they should report to the office and sign-in.

Adjustments to student Drop off and Pick up locations

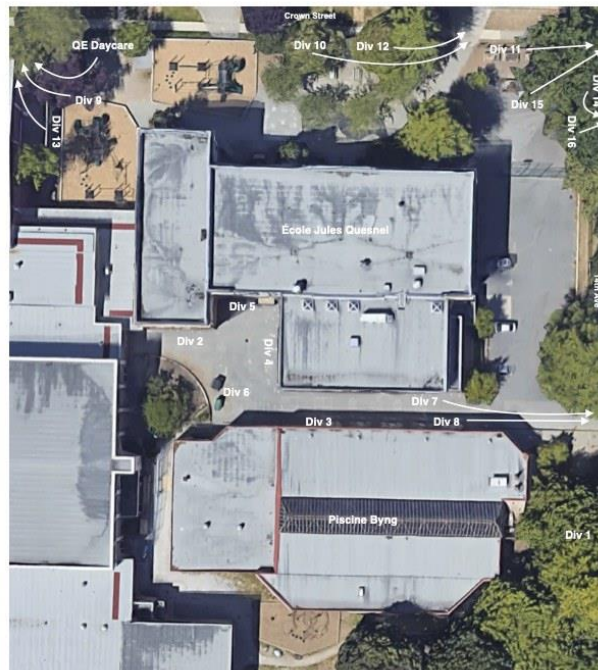

To reduce congestion in front of the school at the beginning and end of the day, some divisions' drop off / pick up locations have been changed. Please refer to the Drop off / Pick up Locations Map below to see the changes. The white arrows on the map show the openings in the fence students will use to enter and exit school grounds. Please wait by the specified entrances to help spread families out along the sidewalks.

Please note that the front playground is supervised from 8:40 to 9:00 am and from 3:03 to 3:18 pm. At the beginning of each day (9:00 am), classroom teachers will meet students at their drop off / pick up location and escort them into the school. At the end of the day (3:03 pm), students will return to the same location for pick-up by parents. Students not picked up by 3:18 pm will be taken to the office and a parent contacted. Thank you for picking up your child promptly at dismissal.

We continue to ask that after drop-off / pick up, parents remain off school grounds as this allows for easier identification of students and staff. After school, after 3:18 pm, when students who haven't been picked up have been gathered to the office, families are welcome to come onto school grounds.

Thank you for helping keep our students safe.

October CSL Conferences - Wed. Oct 25 & Thurs. Oct 26

All JQ students will be **dismissed early at 2pm Wednesday, October 25 and Thursday, October 26** to give more time for October Communicating Student Learning (CSL) conferences.

Look for a message from your child's teacher regarding conference booking. Some teachers may choose to spread their conferences out over more than the two early dismissal days.

October conferences are an informal learning update prior to Written Learning Update #1 which will be sent home December 1. Conferences are an opportunity for students, families and teachers to consider 3 questions about students' learning:

1. Where am I now?
2. Where am I going?
3. How do I get there?

Resource teachers may join conferences for students they support. Prep teachers will also be available to meet with students and families.

Photo Retake Day - Wed. Oct 25

If your child was absent on the original photo day, their name has already been placed on a photo retake list. If you would like your child to have a retake, please let your child's teacher or office know by **Monday, October 23**. Thank you.

Ride your bike to the pharmacy, school, work or to grab a coffee, any destination counts, and the more trips you log, the more prizes you could win.

For more information click [HERE](#).

Why Register?

Cycling is proven to improve happiness, productivity, and mental and physical health! Get ready to discover the joy of riding a bike. During the event, you can also:

- Track your trips online and create some friendly competition with your team
- Visit [Celebration Stations](#) across Metro Vancouver -**Check back for weekly schedule updates!**

- Brush up on your skills with [free webinars](#) from the HUB Cycling Education team
- Get cycling tips and route information
- Get the chance to [win prizes](#) just for participating!

Foundation Skills Assessment (FSA)

In the coming weeks, students in grades 4 and 7 will participate in the Foundational Skills Assessments (FSA). These assessments focus on students' literacy and numeracy development. As mentioned earlier this week in a message from our superintendent to families of students in grades 4 and 7, the FSAs provide valuable information about how students in Vancouver schools are doing. Individual classroom teachers can use assessment results as one measure of how students in their classrooms are doing and where they need more support. As a school district, FSA results are used to help make evidence-informed decisions about where we need to focus resources and supports to enhance student learning.

The Ministry of Education and Child Care has more information about FSAs – available in a variety of languages. Here are links to that information.

VSB: After the Bell, podcast season 2 dropped last week!

Kicking off season 2 of [VSB: After the Bell](#), we take a deep dive into VSB's first Literacy Framework – what literacy is, what the framework does and what it means for student learning. In our matter-of-the-month segment, we turn our attention to Sexual Orientation and Gender Identity (SOGI) in the wake of recent anti-SOGI protests and talk about why SOGI education is still important today. Podcast episodes are released at the end of every month. Subscribe to **VSB: After the Bell** on [Apple Podcasts](#), [Spotify](#) or wherever you listen to podcasts!

Coughs and Colds

Respiratory illnesses are beginning to circulate within the community. The latest guidance from Vancouver Coastal Health is:

Students who are exhibiting symptoms of illness, including respiratory and gastrointestinal illness, should stay home until they are well enough to participate in regular activities. Those who are vomiting or have diarrhea should be symptom-free for at least 24 hours before returning to school.

If a member of the household is sick, children can continue to attend school and masking is not required.

School staff will continue to encourage regular hand washing. Masks are available in the school office should a student wish to request one at any time.

Dress for cold and rainy weather

The rainy season is upon us, please dress your child for the cold and wet rainy weather. Appropriate outdoor shoes for wet weather are recommended as students will go outside rain or shine.

Distraction-free Learning

To help maintain a distraction-free, safe and caring learning environment, JQ families are asked not to send children to school with cell phones or other electronic devices.

During the school day, and any time students are in the care of school staff, including field trips and before and after school extracurricular activities, communication between students and families must go through the office or the staff member in charge.

Any electronic device used by students during the school day, including before and after school, recess and lunch, and during field trips and extracurricular activities may only be with teacher or staff permission and direct supervision.

Families that choose to send children to school with a cell phone or other electronic device in case of emergencies during the trip to and from school must ensure their child understands the phone or device may only be used at school with teacher or staff permission and direct supervision. Any personal electronic devices students bring to school must be turned off or put on silent mode and stored in their school bag for the duration of the school day, including before and after school, and during any school sponsored activities.

Students unable to abide by the policy described above will have the phone or device confiscated and turned in to the office. A parent or guardian will be asked to come retrieve the phone or device and be reminded of the policy.

Thank you for helping to ensure a distraction-free, safe and caring learning environment for our students and staff.

Allergy aware school

Allergy Aware School

We ask that families avoid including foods that contain potentially life-threatening allergens such as nuts and nut products in lunches or snacks.

All VSB schools are also Air Aware, meaning students, staff and visitors are encouraged to use fragrance free and unscented shampoos, hairsprays, deodorants, lotions, and other products, and avoiding application of perfume and cologne.

JQ PAC Updates

Class Parent/Guardian Volunteers

The PAC would like our families to consider a volunteer opportunity: the role of class parent/guardian.

Each division requires a class parent/guardian for a few key tasks:

1. Liaison between the class teacher and parents/guardians
2. Liaison between the PAC and class parents/guardians
3. Collecting funds, organizing, and presenting a thank you gift for the teacher at winter break, and at the end of the school year

The class parent/guardian plays a crucial role in the classroom community, and does not require a big time commitment.

If this role is of interest to you, please fill [this form](#) to volunteer; and mention your interest to your child's teacher. If you have any questions, write to jqpacexec@gmail.com.

All volunteers must read the VBE Guidelines for Adults Interacting with Students and sign and submit a VBE Volunteer Conduct Agreement to their child's teacher or the office. Click [HERE](#) for more information.

Hot Lunch days are Tuesdays and Thursdays this year. Pizza Days will be on Fridays.

For your convenience, the new ordering deadline for Hot Lunch and Pizza Day is the day before at 8 am. You may place orders for as many hot lunch and pizza dates as you like at one time.

After you place an order, please ensure that you have received an email from MunchaLunch confirming your order dates and food items. Please ensure that you also receive a separate email with your credit card payment receipt.

If your child is away on a Hot Lunch or Pizza Day AFTER THE 'ORDER BY DATE', you may pick up their lunch at the school between 11:30 and 12 pm. For food safety reasons, lunches will not be kept after this time. There will be no refunds after the 'order by' date.

If a class trip comes up on a Hot Lunch or Pizza Day and you have already placed an order for that day and would like to cancel, you can notify the Hot Lunch Coordinator at jqgradeseven2024@gmail.com for a credit BEFORE THE 'ORDER BY' DATE. The credit will need to be used on MunchaLunch by the end of the school year - there will be no credits paid out to parents otherwise.

Lunches this year are supplied by Calhoun's Catering(calhouns.bc.ca). CUTLERY IS NOT PROVIDED, so please send your child with the necessary cutlery for their lunch, as we will not have any at the school. Cheese Pizza slices will be supplied by Dominos.

We invite you to read the attached letter from Calhoun's Hot Lunch Coordinator which introduces our parent population to our new Hot lunch vendor, Calhoun's Catering!

Letter to families from Calhoun's Catering

Dear Parents,

I hope this email finds you well. My name is Olivia, and I am the hot lunch coordinator for Calhoun's Catering. We are so excited to be providing hot lunches for your children this year and would like to take this opportunity to tell you a little bit more about our company.

We first started out at 3035 West Broadway as Calhoun's Bakery Cafe in 1993 and over the years, have evolved into a full service caterer for customers such as UBC, VGH, VCH, PHSA etc. Related to hot lunches, Calhoun's is also a preferred caterer for the VSB including the Superintendent's office. Our service area is Vancouver only, and our schools this year include: St John's, St Augustine, St Francis, St Patrick's, Stratford Hall, Shaughnessy, Queen Mary, Queen Elizabeth, Lord Kitchener, Carnarvon, Bayview, Emily Carr, Crosstown, Elsie Roy, Hudson and General Gordon, Trafalgar and Jules Quesnel.

The 2 chefs who cook and oversee the hot lunch meals have over 30 years of combined experience at Sheraton hotels.

Calhoun's takes great pride in our staff procedures, food quality, ingredients, experience and facility. In fact, since moving to our new kitchen 6 years ago, we are the ONLY hot lunch provider with a perfect health record from Vancouver Coastal Health's routine inspections:

<https://inspections.vch.ca/FoodPremises/Table?searchText=calhoun%27s>

As parents, you deserve to know that your children's meals are made properly and according to all food safety guidelines, and that your hot lunch provider is up to task.

All your children's meals will be individually packaged, and labelled with their name and division. Meals are transported in special German made heat retention boxes ensuring food safety and are organized according to class or division.

If you have any questions at all, please do not hesitate to contact me.

Sincerely, Olivia

CANADIAN PARENTS FOR FRENCH - VANCOUVER CHAPTER

WELCOME TO FRENCH IMMERSION KINDERGARTEN

BONJOUR PARENTS and welcome to the beginning of something very special for your child. Having enrolled in French Immersion, you have just made one of the most important decisions regarding your child's education. There are many benefits to being bilingual. As exciting as these early days may be, you likely have many questions. Do not worry, you are not alone.

We would like to introduce ourselves. We are the Vancouver Chapter of the Canadian Parents for French (CPF), a national network of volunteers which values French as an integral part of Canada and which is dedicated to the promotion and creation of French-second-language learning opportunities for young Canadians.

CPF works with parents to fund and organize a range of events, from French summer camps to public-speaking competitions with thousands of dollars in prizes, film festivals, concerts and parent workshops. We also offer bursaries to students interested in teaching French in BC or Yukon. We monitor how federal and provincial educational dollars are invested in French programs in your community. We help raise awareness about the benefits of second-language learning for all children.

 Canadian Parents for French furthers bilingualism by promoting and creating opportunities for youth to learn and use French.

TIPS FOR SUPPORTING YOUR CHILD'S FRENCH EDUCATION

Most French immersion parents have either a limited knowledge of French or cannot speak the language at all. If you don't speak French yourself, it is not suggested you read to your child in French now. However, any reading that you do in your first language is recommended and the reading skills that are learned, such as vocabulary development and reading from left to right, can be transferred to French.

Being able to read words and sound out letters are important aspects of learning to read but true reading involves reading for meaning and making connections with our own personal experiences. Children should be encouraged to clarify what they read through pictures, questions and discussion and retelling the story. This leads to greater understanding and comprehension.

At home for the primary children, here are some simple suggestions:

- Be enthusiastic and positive.
- Read often to your child in English (or your first language).
- Provide French resources eg. French dictionaries, DVDs, CDs, books, comic books.
- Consider putting them into a French language summer day camp.
- Discover French internet web sites.
- Join the local chapter of your Canadian Parents for French to network with other immersion parents, access services and to keep informed about developments in French second language education.
- Sign up for an adult French course geared to French immersion parents.
- Listen to French radio and watch French shows or movies.
- Hire a tutor or babysitter who speaks French to play with your child.

Try to develop the best relationship possible between you and your child's French immersion teacher, making teamwork the main theme. Asking about your children's homework and praising them for its completion as well as allowing them to tell you about their day will help create a more positive environment about school in general.

Come meet us at the AGM

Our Annual General Meeting is being held Sunday October 15th from 7 to 8pm at the Lounge of the Vancouver Curling Club, at the Hillcrest Community Center. A presentation on supporting your child in French Immersion will be given for parents. Please RSVP by email.
