Safe Arrival and Reporting Student Absences

To report your child's absence, please call **604-713-5159, Ext. 39**, prior to 9:00 am on the first day of the absence. If your child arrives late to school, they should report to the office and sign-in.

Kindergarten Registration

Kindergarten registration for children born in 2019 begins on November 1.

All kindergarten applicants are required to submit an application to their English catchment elementary school. This includes families who wish to apply for choice programs (Early French Immersion, Montessori, Indigenous Focus School, Early Mandarin Bilingual, Nootka Fine Arts) and/or make a cross boundary application to attend a non-catchment school.

The priority registration period for Kindergarten opens on **November 1** and closes on **January 31**. Students who submit an application within this priority period will be accommodated before late applicants.

For French Immersion applicants, applying for kindergarten is a **3-step process**:

Step 1: Online Application (ApplyNow)

- Completion of an online application form (<https://applynow.vsb.bc.ca/>) for the school year **2024-25**

Step 2: Verification of documentation

- Contact your English catchment school office to set up an appointment to bring your supporting documentation
- Bring supporting documentation to your English catchment school office during your scheduled appointment

Supporting documents needed:

1. Proof of residence in Vancouver
2. Child's birth certificate
3. Immigration documentation (if applicable)
4. Immunization records
5. Court orders/documents (if applicable)

If you want to apply for a Choice Program or cross-boundary, you must first apply to your English catchment elementary school. Choice Programs and Cross Boundary applications will begin to be accepted in early 2024.

Step 3: Register online for a Choice Program between **January 8 and February 2, 2024 at 4 pm** at the following link: <https://kchoice.vsb.bc.ca/>

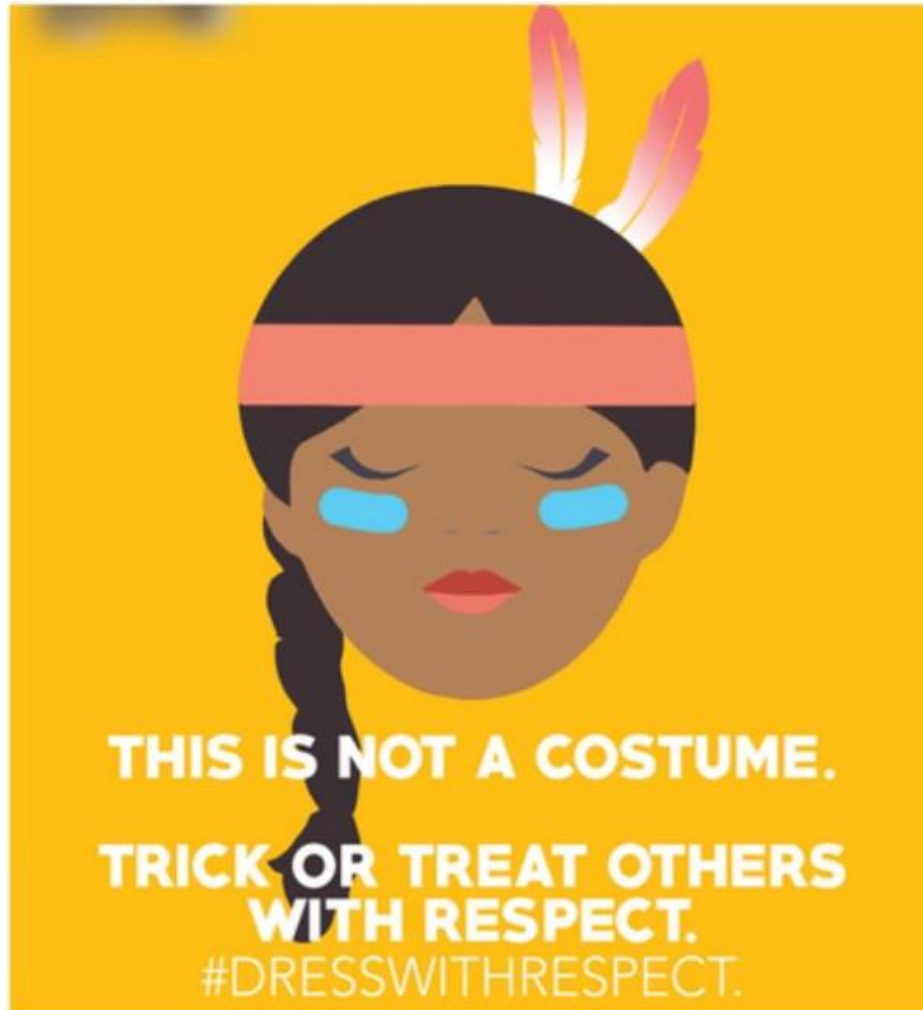

A 9 digit Student Personal Education Number will be required. This will be generated for children already 5 years old once your documents have been verified at the English Catchment School and for children who are 4 years old, the PEN will be generated after January 1st, 2024. The PEN will be emailed directly to parents.

For more information on kindergarten registration visit: <http://www.vsb.bc.ca/kindergarten>

Finally, please let Liz (etoone@vsb.bc.ca) in the office know if you will have a sibling entering Kindergarten in September 2024. Jules Quesnel siblings will receive priority placement at the school.

Note: There will be **no priority** given to registrants with siblings if they register after January 31.

Choosing appropriate Halloween costumes

A few reminders:

- Masks that obstruct the wearer's vision or conceal the wearer's eyes are not permitted at school.
- As stated in the Vancouver School District Code of Conduct: Students shall not possess or use any weapon, replica, or toy weapon on any school premises or activity organized or sponsored by a school. Please do not send children to school with Halloween costumes that include weapons.
- At school, costumes that are creative and whimsical as opposed to scary and gory are preferred. Keep the blood, and scary items for Halloween night celebrations at home, please.
- Please keep and consume Halloween candies **at home**. Students are encouraged to continue to bring a healthy snack and lunch to school.

How not to culturally appropriate Halloween

The autumn season is upon us, and soon it will be Halloween. This time of year brings with it many costume choice decisions. While dressing up is meant to be fun and exciting, it also runs the risk of offending others if costumes are offensive to other cultures. Halloween offers the opportunity for families to discuss costume choices. It is important not to inadvertently mimic culture by culturally appropriating racial or ethnic groups.

For more information, read the [VSB Indigenous Education Department's Culture Is Not A Costume newsletter](#).

Halloween Parade

This year's JQ Halloween parade will be the morning of **Tuesday October 31 at 9:15 am**. Students and staff will do a 2-lap walking parade clockwise around the grass field. Families will be invited to watch from either the centre of the field or along the sidewalk.

If your family doesn't celebrate Halloween or if your child won't be participating, please contact your child's teacher. Students who don't participate in the parade will be given the option to watch the parade or participate in an alternate activity supervised by a staff member.

Lost and Found

The JQ lost and found is once again full of lost items hoping to be reunited with their owners. Please remind your child to check the lost and found for lost items, or check the lost and found yourself. If the weather permits, we'll try to get the lost and found outside before and after school next week.

School Parking Lot

A reminder that the parking lot is for school staff and Byng pool staff only between the hours of 07:45 am and 3:30 pm. It should not be used for pick-up and drop off of students during these hours. For everyone's safety, we ask families to walk around the lot, rather than across the middle of the lot during drop-off and pick-up. Walking around is the safest option and reinforces our message to students when they head outside for recess. Thank you for keeping our students' safety at heart.

Immunization Consent for students in Grade 6

The clinic will take place on **Tuesday, November 7th** for grade 6 students. Consent forms have been sent home to parents, please return by **Monday, October 30th** for collection by Emilia Cortese, our Public Health Nurse. Thank you.

JQ Volleyball

JQ volleyball starts the week of October 30th. **Practices are in the morning in the gym at 8am and games are after school at various locations from 3:30-4:30pm.**

Thank you to all who have volunteered, and we are looking forward to a wonderful season ahead. There are also JQ jerseys still available for grade 6/7s who may need them for volleyball. Please write to us if you need one to purchase. If you would require financial assistance in purchasing a jersey, please contact our Principal. The sizes that are available are in the display case outside the Main office.

Adjustments to student Drop off and Pick up locations

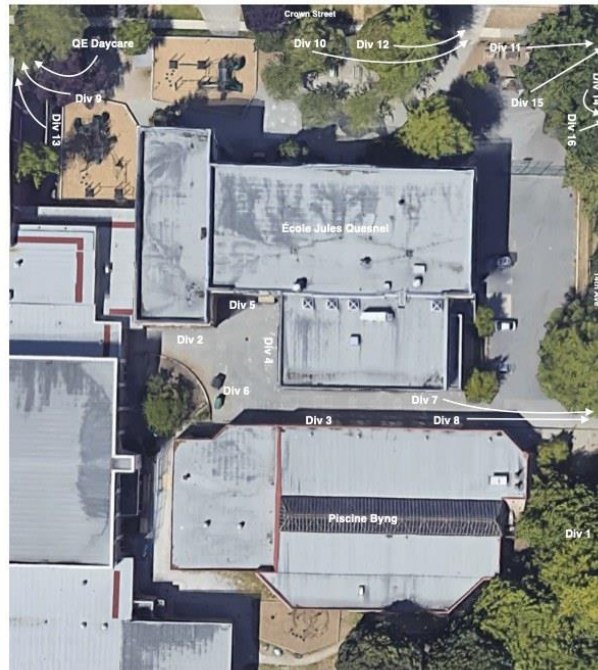

To reduce congestion in front of the school at the beginning and end of the day, some divisions' drop off / pick up locations have been changed. Please refer to the Drop off / Pick up Locations Map below to see the changes. The white arrows on the map show the openings in the fence students will use to enter and exit school grounds. Please wait by the specified entrances to help spread families out along the sidewalks.

Please note that the front playground is supervised from 8:40 to 9:00 am and from 3:03 to 3:18 pm. At the beginning of each day (9:00 am), classroom teachers will meet students at their drop off / pick up location and escort them into the school. At the end of the day (3:03 pm), students will return to the same location for pick-up by parents. Students not picked up by 3:18 pm will be taken to the office and a parent contacted. Thank you for picking up your child promptly at dismissal.

We continue to ask that after drop-off / pick up, parents remain off school grounds as this allows for easier identification of students and staff. After school, after 3:18 pm, when students who haven't been picked up have been gathered to the office, families are welcome to come onto school grounds.

Thank you for helping keep our students safe.

Drop off / Pick up Locations

Foundation Skills Assessment (FSA)

In the coming weeks, students in grades 4 and 7 will participate in the Foundational Skills Assessments (FSA). These assessments focus on students' literacy and numeracy development. As mentioned earlier this week in a message from our superintendent to families of students in grades 4 and 7, the FSAs

provide valuable information about how students in Vancouver schools are doing. Individual classroom teachers can use assessment results as one measure of how students in their classrooms are doing and where they need more support. As a school district, FSA results are used to help make evidence-informed decisions about where we need to focus resources and supports to enhance student learning.

The Ministry of Education and Child Care has more information about FSAs – available in a variety of languages. Here are links to that information.

Coughs and Colds

Respiratory illnesses are beginning to circulate within the community. The latest guidance from Vancouver Coastal Health is:

Students who are exhibiting symptoms of illness, including respiratory and gastrointestinal illness, should stay home until they are well enough to participate in regular activities. Those who are vomiting or have diarrhea should be symptom-free for at least 24 hours before returning to school.

If a member of the household is sick, children can continue to attend school and masking is not required.

School staff will continue to encourage regular hand washing. Masks are available in the school office should a student wish to request one at any time.

Dress for cold and rainy weather

The rainy season has arrived. Please make sure that your child has appropriate weather to play outside during recess and lunch. It is also suggested that students have a spare set of clothing in the classroom in case of falls/accidents during outdoors time.

School Fees 2023-2024

Thank you to all families who have paid school fees. The fees are now due to the Vancouver School Board. If you have not yet had the opportunity to do so, the fees can be paid in the following ways:

School fees for all students have now been posted on School Cash Online

(<https://vsb.schoolcashionline.com/>). The school also accepts cheques and/or cash but would prefer online payment.

Any families experiencing financial hardship may ask that these fees be waived by contacting the school Principal, Vital Peeters, (vpeeters@vsb.bc.ca). All requests will be treated confidentially.

The following two fees are posted:

Annual basic school supplies: \$35.00

Performance/Activity Fee: \$10.00

This year, parents will not be required to pay for agendas, library book bags, white boards and pens as these will be covered by the school.

Distraction-free Learning

To help maintain a distraction-free, safe and caring learning environment, JQ families are asked not to send children to school with cell phones or other electronic devices.

During the school day, and any time students are in the care of school staff, including field trips and before and after school extracurricular activities, communication between students and families must go through the office or the staff member in charge.

Any electronic device used by students during the school day, including before and after school, recess and lunch, and during field trips and extracurricular activities may only be with teacher or staff permission and direct supervision.

Families that choose to send children to school with a cell phone or other electronic device in case of emergencies during the trip to and from school must ensure their child understands the phone or device may only be used at school with teacher or staff permission and direct supervision. Any personal electronic devices students bring to school must be turned off or put on silent mode and stored in their school bag for the duration of the school day, including before and after school, and during any school sponsored activities.

Students unable to abide by the policy described above will have the phone or device confiscated and turned in to the office. A parent or guardian will be asked to come retrieve the phone or device and be reminded of the policy.

Thank you for helping to ensure a distraction-free, safe and caring learning environment for our students and staff.

Terry Fox Run 2023

Our school goal was to raise \$500, and we achieved this. Donations were received in the amount of \$541. Thank you JQ community for your generosity.

JQ PAC Updates

Halloween Party - Grades 4 - 7

You asked for it, and ... you got it. The Halloween Party will be on **Monday, October 30th, from 5-7pm.**

It is a drop-off event for Grades 4-7 students (due to the very scary Haunted House). Parents will need to sign their child in and out to the event, unless the child is given permission to sign themselves out and get home on their own. As this is a JQ event, attendance is limited to JQ students only.

Admission will be \$10 (which includes 5 tickets for use towards Fortune Teller, Haunted House, and Concession) and can be purchased on SchoolCashOnline until Sunday at midnight. Admission will also be sold on the day of starting at 4:45p by the picnic benches. Doors will open at 5p. Extra tickets can be purchased throughout the evening; cash only. All proceeds will go towards the Gr 7 year end trip.

This year's event will feature:

- A dance party in the gym
- A Haunted House
- Fortune Tellers
- Concession (snack items only - please feed your child dinner before/after event)

Note: we cannot guarantee food items are free from allergens. Students should be made aware of the risks, and would be consuming foods at their own risk.

We would like everyone (in Gr 4-7) to be able to attend. A bursary is available - please contact our Principal vpeeters@vsb.bc.ca.

Importantly, this event would not be possible without the JQ community getting involved. Please check out the [Volunteer Sign Up Sheet](#) and join in on the fun.

Make sure to come in costume! Let the fun begin!

Requesting Items to Borrow

We need your help! We need a ton of stuff to help make this party Spooktacular! Anything you can lend us for the day of Monday, October 30th, would be appreciated. Here is a list:

The gym needs a sound system (we have one large speaker) and lights for a dance party. The theme of our Haunted House will be "Cabin in The Woods".

Any props for the Fortune Teller tent.

Please indicate on this sheet: [Items You Can Lend Us](#). We will need to have items dropped off by Monday morning so our decorators can get to work during the day. Label all your items, and you'll get it back at the end of the evening.

Many thanks,

The Halloween Team

Class Parent/Guardian Volunteers

The PAC would like our families to consider a volunteer opportunity: the role of class parent/guardian.

Each division requires a class parent/guardian for a few key tasks:

1. Liaison between the class teacher and parents/guardians
2. Liaison between the PAC and class parents/guardians
3. Collecting funds, organizing, and presenting a thank you gift for the teacher at winter break, and at the end of the school year

The class parent/guardian plays a crucial role in the classroom community, and does not require a big time commitment.

If this role is of interest to you, please fill [this form](#) to volunteer; and mention your interest to your child's teacher. If you have any questions, write to jqpacexec@gmail.com.

All volunteers must read the VBE Guidelines for Adults Interacting with Students and sign and submit a VBE Volunteer Conduct Agreement to their child's teacher or the office. Click [HERE](#) for more information.

Stong's Market School Rebate Program

Thank you to the families who participate in this Program. The school PAC received a \$140 cheque for the 2022/2023 school year.

CANADIAN PARENTS FOR FRENCH - VANCOUVER CHAPTER

WELCOME TO FRENCH IMMERSION KINDERGARTEN

BONJOUR PARENTS and welcome to the beginning of something very special for your child. Having enrolled in French Immersion, you have just made one of the most important decisions regarding your child's education. There are so many benefits to being bilingual. As exciting as these early days may be, you likely have many questions. Do not worry, you are not alone.

We would like to introduce ourselves. We are the Vancouver Chapter of the Canadian Parents for French (CPF), a national network of volunteers which values French as an integral part of Canada and which is dedicated to the promotion and creation of French-second-language learning opportunities for young Canadians.

CPF works with parents to fund and organize a range of events, from French summer camps to public-speaking competitions with thousands of dollars in prizes, film festivals, concerts and parent workshops. We also offer bursaries to students interested in teaching French in BC or Yukon. We monitor how federal and provincial educational dollars are invested in French programs in your community. We help raise awareness about the benefits of second-language learning for all children.

Canadian Parents for French furthers bilingualism by promoting and creating opportunities for youth to learn and use French.

TIPS FOR SUPPORTING YOUR CHILD'S FRENCH EDUCATION

Most French immersion parents have either a limited knowledge of French or cannot speak the language at all. If you don't speak French yourself, it is not suggested you read to your child in French now. However, any reading that you do in your first language is recommended and the reading skills that are learned, such as vocabulary development and reading from left to right, can be transferred to French.

Being able to read words and sound out letters are important aspects of learning to read but true reading involves reading for meaning and making connections with our own personal experiences. Children should be encouraged to clarify what they read through pictures, questions and discussion and retelling the story. This leads to greater understanding and comprehension.

At home for the primary children, here are some simple suggestions:

- Be enthusiastic and positive.
- Read often to your child in English (or your first language).
- Provide French resources eg. French dictionaries, DVDs, CDs, books, comic books.
- Consider putting them into a French language summer day camp.
- Discover French internet web sites.
- Join the local chapter of your Canadian Parents for French to network with other immersion parents, access services and to keep informed about developments in French second language education.
- Sign up for an adult French course geared to French immersion parents.
- Listen to French radio and watch French shows or movies.
- Hire a tutor or babysitter who speaks French to play with your child.

Try to develop the best relationship possible between you and your child's French immersion teacher, making teamwork the main theme. Asking about your children's homework and praising them for its completion as well as allowing them to tell you about their day will help create a more positive environment about school in general.
