Safe Arrival and Reporting Student Absences

To report your child's absence, please call **604-713-5159, Ext. 39**, prior to 9:00 am on the first day of the absence. **Parents can also email JQUattendance@vsb.bc.ca³ to report student absences.**

If your child arrives late to school, they should report to the office and sign-in.

If you are picking up a student for an appointment during the day, please email JQUattendance@vsb.bc.ca⁴ 24 hours in advance as well as emailing the classroom teacher. Please allow extra time for pick-up. If possible, we suggest picking up your child at the beginning or end of one of the breaks in order to minimize classroom disruptions.

Lost and Found

The JQ lost and found is once again full of lost items.

A great way to help school staff return lost items to their owners is to label your children's clothes. Children's clothes, especially jackets, usually come with a fill in the blank name tag like the one in the images below. Or you can write your child's name on the garment tag, or on the garment itself.

Please remind your child to check the lost and found for lost items, or check the lost and found yourself. If the weather permits, we'll try to get the lost and found outside before and after school next week.

Changes to report card proficiency scale

Provincial Proficiency Scale

Emerging	Developing	Proficient	Extending
Emerging means your child is beginning to understand something in an area of learning. They are still learning but may need more support to move ahead. Emerging doesn't mean your child is unsuccessful in this area.	Developing means your child understands some things in an area of learning but still has other areas to work on. Like Emerging, it doesn't mean your child is unsuccessful in this area.	Proficient is the goal for your child. It's also the goal for all students. When your child is Proficient, it means they fully understand the required learning. But it doesn't mean their learning stops.	Extending is when students show a deeper understanding. It's when your child is able to apply their learning in new and different ways. Extending is not the goal for all students in every area of learning.

All VSB elementary school students will bring home Written Learning Update 1 Friday December 1.

For information from the VSB and the Ministry of Education and Child Care regarding changes to reporting in BC schools, please click on the links below.

Changes to reporting include a shift to a standard Provincial Proficiency Scale that gives students, parents and caregivers a clear understanding of what students can do now and areas for future growth. The proficiency scale makes learning the focus rather than the comparison with others. In grades 10-12 teachers will continue to use percentages to report on student learning as post-secondary institutions still use letter grades and percentages as part of the admissions process.

The proficiency scale has gone from a 7-point to a 4-point scale, prompting teachers to be more definite about where a student is on their learning journey. Explanations of each of the four points on the scale (emerging, developing, proficient and extending) are given in the links below. Remember, while proficient is the goal for learners, emerging and developing don't mean a child is unsuccessful in a given area, but rather that they're at the beginning of or somewhere along their personal path to proficiency.

Please help model safety in the parking lot

A reminder that the parking lot is for school staff and Byng pool staff only between the hours of 07:45 am and 3:30 pm. It should not be used for pick-up and drop off of students during these hours. **For everyone's safety, we ask families to walk around the lot, rather than across the middle of the lot during drop-off and pick-up. Walking around is the safest option and reinforces our message to students when they head outside for recess.** Thank you for keeping our students' safety at heart.

Tips for Student Safety on the way to and from school

As the days become shorter and it gets darker before and after school, please talk to your children about staying safe when away from home.

Kindergarten Registration

Kindergarten registration for children born in 2019 begins on November 1.

All kindergarten applicants are required to submit an application to their English catchment elementary school. This includes families who wish to apply for choice programs (Early French Immersion, Montessori, Indigenous Focus School, Early Mandarin Bilingual, Nootka Fine Arts) and/or make a cross boundary application to attend a non-catchment school.

The priority registration period for Kindergarten opens on **November 1** and closes on **January 31**. Students who submit an application within this priority period will be accommodated before late applicants.

For French Immersion applicants, applying for kindergarten is a **3-step process**:

Step 1: Online Application (ApplyNow)

- Completion of an online application form (<https://applynow.vsb.bc.ca/>) for the school year **2024-25**

Step 2: Verification of documentation

- Contact your English catchment school office to set up an appointment to bring your supporting documentation
- Bring supporting documentation to your English catchment school office during your scheduled appointment

Supporting documents needed:

1. Proof of residence in Vancouver
2. Child's birth certificate
3. Immigration documentation (if applicable)
4. Immunization records
5. Court orders/documents (if applicable)

If you want to apply for a Choice Program or cross-boundary, you must first apply to your English catchment elementary school. Choice Programs and Cross Boundary applications will begin to be accepted in early 2024.

Step 3: Register online for a Choice Program between **January 8 and February 2, 2024 at 4 pm** at the following link: <https://kchoice.vsb.bc.ca/>

A 9 digit Student Personal Education Number will be required. This will be generated for children already 5 years old once your documents have been verified at the English Catchment School and for children who are 4 years old, the PEN will be generated after January 1st, 2024. The PEN will be emailed directly to parents.

For more information on kindergarten registration visit: <http://www.vsb.bc.ca/kindergarten>

Finally, please let Liz (etoone@vsb.bc.ca⁸) in the office know if you will have a sibling entering Kindergarten in September 2024. Jules Quesnel siblings will receive priority placement at the school.

Note: There will be **no priority** given to registrants with siblings if they register after January 31.

Please don't send children to school with trading cards or other valuables

JQ families, please don't send children to school with trading cards or other valuables. Students are bringing cards to school to trade or sell to one another and this is causing conflict between students.

Thank you.

Coughs and Colds

Respiratory illnesses are beginning to circulate within the community. The latest guidance from Vancouver Coastal Health is:

Students who are exhibiting symptoms of illness, including respiratory and gastrointestinal illness, should stay home until they are well enough to participate in regular activities. Those who are vomiting or have diarrhea should be symptom-free for at least 24 hours before returning to school.

If a member of the household is sick, children can continue to attend school and masking is not required.

School staff will continue to encourage regular hand washing. Masks are available in the school office should a student wish to request one at any time.

Dress for cold and rainy weather

The rainy season has arrived. Please make sure that your child has appropriate weather to play outside during recess and lunch. It is also suggested that students have a spare set of clothing in the classroom in case of falls/accidents during outdoors time.

Parent Ed Event: Neufeld Institute - Thurs. Nov. 30 - 6:30 pm

We are excited to invite you to our first Parent/Guardian Education and Engagement event of the year on **Thursday, November 30, 2023 from 6:30 to 8:00 pm in the school's gymnasium.**

Hosted by Patti Drobot, a registered professional counsellor and adjunct faculty member at the Neufeld Institute, in this presentation parents and professionals will learn why the relationship with our children is the most important factor in their development, and how adults can deepen their attachments with the children in their care. We will cover why children need to keep soft hearts and have their tears, and how we can help them develop resilience and maturity. We will discuss theory and give practical suggestions. This presentation is an excellent introduction to the developmental approach to raising children.

Please keep an eye out for the annual Art cards project to be coming home with your child in the coming weeks. This is a grade 7 fundraiser whereby students are given the opportunity to create a unique work of art on a 11 x 17 piece of card stock, from which greeting cards can be produced. Please note that not all classes are necessarily participating in this project this year. We anticipate receiving the cards back during the last week of school before the winter break - December 18 to 22. Thank you for your continued support of the grade 7 class fundraising initiatives.

If your child brought their Art Card home to finish, please return it to school on Monday, November 27, when they will be shipped out by courier. Thank you.
