Locker Clean-out

There will be time Monday morning for students to clean their lockers. They'll need to clean and remove everything in the locker, return any books including library and textbooks, and remove their lock from the locker. Any locks that remain on lockers will be removed in July.

Carnival & Turnaround Days

Classes are not in session on Wednesday and Thursday and we do not take attendance. The cafeteria will also be closed both days. Teachers are available and working with students who have assessments to make up. Teachers will have communicated with students who need to attend on these days. Also the student council hosts a carnival in the afternoon of the last day. We have four shortened classes in the morning.

June Newsletter

Here's a [link](#) to the June newsletter sent last week, and also posted on the website. Among other things, there's information there on how to access MyEd for report cards. There are also links to mental health supports should you, a friend, or a family member experience distress during the summer break.

The district has also shared these links that may be of support as needed:

Returning After School Start-Up?

If you know that you'll be away for the first days of school, please complete this [Notice of Late Return form](#). We need to verify attendance because there are students on our waitlist. We take careful attendance during the first week of school and we need to either see students in class before September 11th or have this form completed in order to maintain a student's registration. Thank you

VSB Podcast: Technology Habits

The season finale of After the Bell is here! In this [episode](#), leading up to the summer break, we're sharing how to build practical, healthy habits with technology that can support student well-being through the summer and beyond.

School Annual

This year's annual will be distributed to students who purchased one on Tuesday morning.

Grade 12 Students and School Account Data

The district deletes data from student VSB accounts when students graduate or leave the district. If you've saved anything you want to keep, please forward these documents to yourself before June 26th to be safe.

End of Summer/Back to School Newsletter

Please watch for our Back to School Newsletter for updates that we will send to our grade 8-11 students and families in the week before school starts. Until then, we wish you a restful and enjoyable summer and look forward to welcoming everyone back on September 8.
