\*In catchments with a main school and an annex, the number of kindergarten spots and students requiring placement outside of the catchment are combined. For example, *Champlain Heights catchment* includes both Champlain Heights Elementary and Champlain Heights Annex. The name of each annex is included in parentheses after the main school name.

The following school catchments include an annex, but the main school and the annex do not share the same name:

- Bruce Catchment: Graham Bruce Elementary and Collingwood Neighborhood School
- Hastings Catchment: Hastings Elementary and Tillicum Annex
- Laura Secord Catchment: Laura Secord Elementary and Queen Victoria Annex
