Lord Byng Secondary PAC Meeting Reminder: Wednesday May 20th 6:30pm, in the school library

Hello Parents & Caregivers!

Please join us for the last PAC meeting of the 2025/6 school year, this Wednesday May 20th. It will be held in the school library at 6:30pm.

Are you unable to attend in-person, due to the exhaustion of the May-venber race to the end of the school & activities year? We have you covered! Join us on Zoom, where we will simulcast the meeting.

We will have a guest speaker for this meeting, as kindly arranged by our school principal, Krista Ediger. The speaker is:

Hayden Averill, VSB SACY Parent & Family Engagement Coordinator

Supporting And Connecting Youth (SACY) - Substance Use Health Promotion

This initiative engages Lord Byng, the wider VSB, parents & caregivers, teachers, students, administrators, and the greater community to strengthen school-based substance use education, prevention, and early-intervention. The presentation that is offered to PAC, facilitated by a member of the SACY Family team, explains what SACY is and how the program engages parent & caregivers in the district around substance use prevention and early intervention. In this presentation, PAC will learn about the different workshops, groups, and strategies that SACY can offer the Byng parent & caregiver community, in order to build protective factors for our teens around substance use.

We look very forward to seeing you all, either in person, or online!
