Good morning, Parents/Guardians of Tecumseh Students,

If you are an Essential Services Worker as outlined by the Provincial Government (<https://www2.gov.bc.ca/gov/content/safety/emergency-preparedness-response-recovery/covid-19-provincial-support/essential-services-covid-19>) and in need of childcare, please see the message from the Vancouver School District below:

[https://www.vsb.bc.ca/News/Documents/20200328\\_Childcare.pdf](https://www.vsb.bc.ca/News/Documents/20200328_Childcare.pdf)

Under an arrangement unique to Vancouver, all child care spots in Vancouver are being allocated by Westcoast Child Care Resource Centre (WCCRC). Eligibility (essential services worker) and access to all spots (whether located at Vancouver School District sites or at City of Vancouver sites) are all through Westcoast Child Care Resource Centre.

No spots are allocated by VSB principals or staff. Parents are referred to WCCRC for all questions and for registration.

There is an intake form on WCCRC's website: <https://www.wstcoast.org/>.

**Important:**

**Please continue to check the [Vancouver School Board's website](#) and the [COVID-19 Updates website](#) for the most up-to-date information.**

Take good care and stay safe during these unprecedented times.
