Staff Appreciation Lunch

Staff Appreciation Lunch

Thank you for making the MG staff feel wonderful. On behalf of the staff, we extend our heartfelt gratitude for the amazing lunch you provided.

A special thank you goes to Grade 7 parent Cliff for taking on the role of

head chef. Your culinary skills were greatly appreciated.

Also a special thank you to the parent helpers and chefs for their constant and consistent hard work.

You all made our staff feel special.

Yellow Fish Program at MG

During the past few months, Grade 7 students from Division 1 participated in a water pollution project. They learned about wastewater and green rainwater infrastructure, made presentations to City staff, and performed a number of activities around the school connected to water protection.

They painted yellow fish symbols next to catch basins as part of the Yellow Fish Program, collected a total of 156

pieces of litter from nearby streets, located storm drains, and analyzed how to make the area more rain friendly.

The students put in a lot of hard work and they came up with many great ideas. Awesome job, students!

See next page for photos.

Maple Grove Indigenous Plant Garden Digital Book

Intermediate Outdoor Education students have been working on a field guide featuring the native plants in our Indigenous Plant Garden along the Arbutus Greenway. The guide includes student illustrations and information about each plant, its

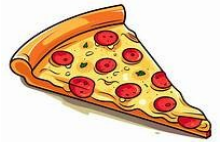

traditional uses, lifecycle, habitat, and ecological relationships. You can view a digital version of the guide book here: <https://drive.google.com/file/d/1heFZisx5HZ8HhGPBtZRbaSdMNQb6lvdm/view?usp=sharing>
