

MOTORCYCLE AND POWER EQUIPMENT

Program Outline

This trade is primarily responsible for maintenance, repair, and customization of motorcycles and their various systems. The full scope of the trade also includes work on power equipment running on smaller engines.

Admission to this 20-week program requires successful completion of BCIT's Mechanical Reasoning entrance assessment.

Application Process - apply in Grade 11

Start by visiting careerprograms.vsb.bc.ca to download an application. Students are encouraged to discuss the application with a school counsellor and family.

Application Deadline	March 1st
Interview Period	March - April
Acceptance Decisions	April - May
Orientation Session	Late-May

Specific details about the Orientation Session will be included in the acceptance letter. Students must attend along with a parent or guardian.

Program Location & Intake Dates

The Foundation programs take place at the BCIT campus in Burnaby.

The program runs from February to July. Graduation requirements must be taken in Semester 1.
