Newsletter #21

Dear L'École Bilingue families,

On Tuesday, March 12th, our students will be bringing home their second written progress report, the Learning Update #2. As previously explained, the communication of student learning to parents is based on clear standards and expectations and is intended to make learning visible. Students are encouraged to think of the questions: Where am I now? Where am I going? What do I need to do to get there?

The Learning Updates will continue to focus on your child's strengths, areas for growth and ways to support learning. I encourage parents to sit down with their child(ren) and discuss their performance, celebrate their successes, hard work and develop goals for ways to support learning and next steps for the final term of the year.

We are very proud of all of our students for their achievements and wish to thank staff for their hard work in preparing these thoughtful and detailed Learning Updates.

A reminder to **please return the envelope** that the report came in, to your classroom teacher.

Spring is on the way, don't forget that our clocks spring forward this weekend!

Warm regards,

Mme Lavoie &
Mme Jungclaus

BASKETBALL JERSEYS

Now that all our teams have finished their basketball season, all jerseys were to be returned this week. If your child has not yet returned theirs, please make sure that it is sent to school by Friday, March 15th. Thank you!
