Newsletter #22

Dear L'École Bilingue families,

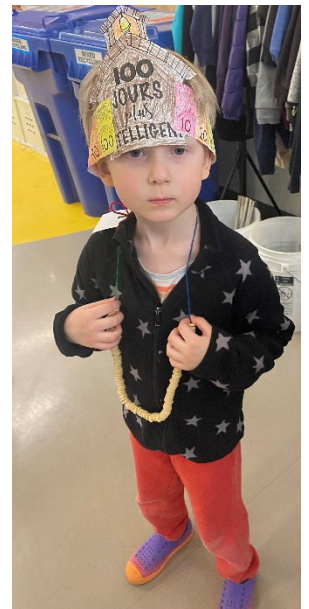

As Term Two ends, we would like to thank the students, staff, and parents for a successful term. We appreciate all that you do to support your children's learning, social-emotional development, and our school in general. Your ongoing support and commitment are imperative to student success, as well as to creating an inclusive and positive learning environment.

Thank you as well to all our amazing staff members for their commitment and continuous focus on student learning and development.

If you're taking some time off, enjoy a happy, safe and enjoyable Spring Break. We look forward to working with you during the third term.

Warm regards,

Mme Lavoie &
Mme Jungclaus

GYMNASTICS

Our gymnastics unit has come to an end. All students participated in this gymnastics program during the regular Physical Education periods. The students enjoyed their time with Coach Serghei of Kitsilano Gymnastics and learned many new skills. A big thank you to Coach Serghei for sharing his expertise with L'École Bilingue and for bringing in his own equipment for the students to practice their new skills on.

A big thank you to the PAC for funding half of the cost of this program. Your support is greatly appreciated!

POPCORN SALE

Thank you for supporting our popcorn sale that was held this term. We raised \$737 for the Children's Hospital! We are very proud of our Grade 7 student leaders for organizing and running the sale for such a worthy cause.

Evans Lake Family Camp

Evans Lake Family Camp is on for Labor Day weekend 2024: August 31 - September 2.
Registration is coming in April!

Families of students who attend L'École Bilingue have been privately organizing a Family Camp opportunity prior to the start of the school year at Evans Lake Forestry Camp each Labour Day long weekend for almost 40 years! **This is not a school or PAC sponsored event.** It is an opportunity for families to come together for **a private group camp opportunity organized by interested parents.** It is a great opportunity to get to know other families while enjoying the great outdoors.

Evans Lake can accommodate just over 120 people. School-age children (those entering Kindergarten through Grade Seven) stay in cabins with counsellors. Parents and small children camp in tents. All meals are prepared by Evans Lake staff. The camp is participatory with parents assisting with some duties. Plan to arrive by 10 AM on Saturday and stay until Monday around 11AM (earlier start for 2024).

Last year, Evans Lake Forestry camp costs per person were about \$250 for the weekend – 2024 rates will be confirmed shortly.
