LEB ART SHOW

Dear L'École Bilingue Families, we are excited to announce our inaugural **School Community Art Show**, a wonderful opportunity for our students to display their artistic talents!

This art show is a curated exhibition where students can present their artworks for the rest of the school to see. It's a fantastic chance for them to share their creativity with friends, family, and the community. The event aims to celebrate their artistic skills and the hard work and dedication they've put into their art. We are eager to see the diverse expressions of creativity our students will bring to this exciting showcase!
