Dear Laurier Community,

This past month may have been our most fun filled month yet! Through the excitement of Sports Day, Track and Field, Busy Town, Tennis, Frisbee, Young Actors, Mouse Trap Racers, and more, our school community grew closer as the end of another school year grew nearer.

The sounds of ukuleles, recorders and our incredibly talented choir floating through the hallway, remind me that the end is fast approaching. June is a time to recognize and celebrate our accomplishments, give our sincerest thank you and say some heart felt goodbyes.

I am sad to announce that we have a few goodbyes to say to some amazing staff. I want to thank Bronagh Kehler, Wendi Klein, Rhonda Lindgren and Nona Navin for joining our team this year. They came to us in a time of need and have been such welcome additions to our school. We are so lucky to have had the opportunity to work with them and we hope to have a chance to see them back at Laurier soon.

I also want to acknowledge Sonja Watson who will be leaving us to explore new challenges and opportunities. Sonja, your years of service to our school and our kids will be dearly missed. We wish you all the best in your new adventures and hope that you stay in touch.

While typically I reserve the June Newsletter for thanking our amazing staff and volunteers, this year I want to make particular mention of a different group as well.

To the Graduating Grade Sevens: it has been a privilege getting to know you all over the past three years and an honour to count myself as one of your teachers. I have no doubt that you will meet the challenges of high school and beyond with the same respect, open mind, awesome attitude and supportive nature that you have so thoroughly role modelled for us here at Laurier. Simply put, I could not be prouder.

It is with mixed emotions that I announce this final departure. In the fall I will be joining the team at Grandview Elementary as their new Principal. While I am excited to have the opportunity to work in a new school in order to share the success we have had here, there are no suitable words to express how much I will miss our students, this team and this community. It has been an honour to learn, laugh, and grow with you all. Thank you for teaching me what it means to SOAR!

I want to welcome Armin Samiei who will be joining the Laurier team next year as your new Principal. I trust that you will greet her with the same support and welcoming nature that you greeted me with three years ago.

Risha Golby

“Learning is their journey.

Let them navigate.

Push them to explore.

Watch them discover.

Encourage their questions.

Allow them to struggle.

Support their thinking.

Let them SOAR.”
