Traffic Safety Message

As our mornings grow darker, we can all help students get to school safely. While it's busy everywhere around the school immediately before and after school, the T-intersection at 15th and Crown St is especially so. Please mind the no-stopping signs and please avoid stopping and dropping students off in the intersection and on the crosswalk.

We encourage parents/guardians to drop students off a couple of blocks away to minimize traffic around the school. Thank you
