Graduation Assessments Update

We received communication from the Ministry of Education that due to job action in the BC Public Service, the Graduation Assessment Session for November 3-7, 2025 will be cancelled for all grade 10 and 12 assessments. Our Literacy 12 Assessment scheduled for next week will therefore be cancelled. We will move this to January 2026. The Ministry has confirmed that early admission to post-secondary institutions in B.C. will not be impacted by the cancellation, as students are able to write the assessments in another session (January, April, or June).
