

Our School Policy:

Portable electronic devices to be used with teacher permission only.

Portable electronic devices (if brought to school) are to be out of sight, somewhere safe.

Portable electronic devices are the student's responsibility and the school is not responsible for the loss or damage.

Consequences for Inappropriate Use:

1. Students using these devices during the school day, without staff supervision, will first receive a warning.
2. If a repeated incident occurs, the device will be kept in the office until 3pm that day.
3. If this continues to occur, the device will be kept in the office until picked up by the family.
4. "In the office" means: locked in a room or drawer by the admin or office staff.
5. Classroom teachers and parents will be notified if a student is having difficulty following the guidelines or has been given multiple warnings.

How Families Can Help:

1. Discuss the pamphlet with your child.
2. Encourage your child to follow the guidelines our school has created.
3. Come in and talk with staff if you have questions.

David Oppenheimer Elementary

We Use Electronic Devices:

To support our learning.

We will use portable, electronic devices respectfully, following our school code of conduct.

At Oppenheimer, We Are Caring Digital Citizens!

We Care About: Ourselves

We know it's healthy to be outside! Run, Jump, Skip, Play!

We will give our eyes and thumbs a break!

We will keep devices safe and in our backpacks (if we choose to bring them to school.)

We Care About: Each Other

We use devices for learning!

We ask permission before taking someone's picture and before posting online.

We keep private information, private.

We Care About: This Place

We have respect for the guidelines.

We use appropriate apps and programs, respectfully.

We have real "facetime" with our classmates, friends and teachers!
