- Choose grade 12 courses carefully to ensure that you qualify for the post-secondary programs of your choice.
- For post-secondary entrance requirements see individual post-secondary websites.
- For course descriptions please view the Course Planner on the PW website under the Guidance and Support tab.
- The school policy is that grade 12 students must be enrolled in a minimum of 7 courses at Prince of Wales.
- All students will also be enrolled in CLC. This is an off-timetable, on-line course and is in addition to the minimum 7 course you are required to take.
- Important:** The school timetable is built according to student requests. Please try to give the most accurate information possible. Once the timetable is built it is much more difficult to accommodate student changes and in many cases the changes are not possible.
- For information on graduation requirements please visit <https://www2.gov.bc.ca/gov/content/education-training/k-12/support/graduation#dogwood>**
- Parents - Please note that changes may be made to electives due to timetable conflicts or if a chosen elective is not available.
