

StrongStart BC programs provide rich learning environments designed for early learning development – language, physical, cognitive, social and emotional. Qualified early childhood educators lead learning activities where children find opportunities to make friends and interact with others of similar ages.

Participate with your young child (aged birth to five) in play-based early learning activities – including stories, music and art. At no cost to families, this early learning drop-in program helps prepare children for success in Kindergarten.

## REGISTRATION

Step 1: Complete an online application from the VSB StrongStart website  
<https://govsb.ca/strongstart>

Step 2: Please bring in the following documentation to your primary centre for verification on your first visit.

- Proof of child's birthdate (i.e. Canadian Birth Certificate)
- Proof of residency (i.e. BC Driver's License, showing parent's name)
