PROVINCIAL STUDENT LEARNING SURVEY 2025/2026:

The Provincial Student Learning Survey gathers information from parents/guardians/caregivers, teachers, and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

The 2026 Student Learning Survey will be administered to students in grades 10, 11 & 12, their parents/guardians/caregivers, and all school staff. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining school needs for improvement.

The survey can be completed electronically on the Internet and is available in eighteen languages. Any computer or mobile device with an Internet connection can be used, and access to the e-survey is straightforward and secure.
