PARENTS/GUARDIANS TO COMPLETE

MyForms is a digital application from the Vancouver School Board intended to replace paper-based consent and acknowledgement of risk forms typically sent home with students.

The application allows parents/guardians to confirm and revoke their approval of topics and activities related to a student's studies.

The application is accessed using a web browser at the following URL:

For each student in your care, you will log in using their credentials, either a PEN number and date of birth, or, if available, the students VSB email credentials.
