SIR WILLIAM OSLER

Welcome from the OPG

The Osler Parent Group (OPG) is Osler Elementary School's Parent Advisory Council. As a parent or guardian of a student who is currently registered at the school, you are already part of the OPG! This is **YOUR organization**. We are led by a group of hard-working volunteer parents/guardians of students attending the school.

How Can I Best Help My Organization, the OPG?

The OPG would not exist and could not function without support from YOU, the parents/guardians. We need your help and participation in the school community to make this school year a great success! Your involvement not only positively affects your child but also his/her schoolmates, other parents/guardians, and the educators at Osler.

Every parent/guardian can do something to help whether in person or at an arm's length. Some suggestions include:

CONTRIBUTE TO SCHOOL FUNDRAISING. Did you know that it takes tens of thousands of dollars to operate the OPG each year? We rely on various fundraising initiatives each school year to achieve this goal. Does your child enjoy the playground, use a classroom computer or iPad, or learn from a Smart Board? Past fundraising has made all these things possible. Your contribution can be small or large with no amount being too little – we thank you in advance!

VOLUNTEER YOUR TIME.

No OPG initiative would operate without volunteers, and there can never be enough volunteers to go around. Your commitment does not have to be extensive – even volunteering for an hour at one of our events is a big help. You do not require any specific skills and even a language barrier is not an issue! More parental involvement means more benefit for your child and the entire Osler community!

ATTEND OPG MEETINGS.

Meetings are scheduled approximately once every two month, conducted via Zoom. This is a great opportunity to find out about school and classroom updates from our Principal and staff, hear about OPG-led school programs/events, and to help support our fundraising activities.
