Vol. 1

Dear students and families,

Please DO NOT return your library books to school at this time. Don't worry about overdue books right now – just continue to enjoy them.

Frisk the Cat and I miss seeing all of your smiling faces in the library and in the hallways at school. We miss hearing about your day and what books you are reading. We hope you are all well and staying safe.

~Ms. Coughlan & Frisk

What I'm Reading

Rick Riordan presents Dragon Pearl, a science-fiction thriller and Korean mythological tale about Min, a 13 year-old shapeshifter, who must overcome adversity to save her brother and her world. Sci-fi novel, upper intermediate.

In this lovely picture book, Amy Wu is on a quest to make a perfect bao. Amy perseveres, but will she accomplish her goal? Picture book, realistic fiction, comes with a recipe.
