Dear students and families,

I hope you are all keeping happy and healthy this week. This week is extra special because on Wednesday April 22<sup>nd</sup>, it is Earth Day.

Frisk the Cat and I challenge each of you to think of something you can do to help the Earth. We'd love to hear about what you did to help keep our Earth happy and healthy this week. Email us at [kcoughlan@vsb.bc.ca](mailto:kcoughlan@vsb.bc.ca), or message us on Teams in the Library area of your classroom!

## What I'm Reading

Harriet Rohmer presents true stories about 12 North American heroes, who have done amazing things to help protect the environment. Some of those heroes, are kids just like you! Prepare to be inspired after reading this!

In this lovely picture book by Todd Parr, we learn some important ways that we can help the Earth. There are so many little things that we can do to make a BIG difference.
