

Principal's Message **March 2022 PAC Meeting**

I am thrilled to be back to work and am truly overwhelmed by the kindness shown by the students and families of KSM. I am slowly getting myself up to speed with what is happening in the community. Please reach out if there is anything you feel I should be aware of or if you have any questions.

Staffing Changes

Ms. Mann returning in Kindergarten M/W/F and Ms. Delaney will continue T/Th for the remainder of the school year.

SSA's – student support, we now have all but one vacancy filled and our full allotment of support has been allocated to the school. We continue to have many absences and they are frequently unfilled.

School Fees

We are in the process of submitting school fees for next year (2022/2023).

- General Supplies \$35
- Agenda Grade 1-7 \$7
- Grade 7 Camp approximately \$300

COVID restrictions

We continue to follow the orders as given to us from the PHO. Many are beginning to relax. We will continue to take a slow and measured approach. For example, although we can have whole school assemblies, we will start slow and split up the school and spread them out more. At this time, we can have a Grade 7 leaving ceremony at 50% capacity. The rules are constantly changing so we will plan different options.

Athletics

Badminton teams have wrapped up the season and played well. It was very popular and had 2 teams! Basketball will be starting in April and Mx. Ivings will be coaching a Grade 7 boys team. She will also be having some intramurals for the Grade 7 girls who expressed interest, but there were not enough to form a team. Gymnastics was a great success and loved by many.

I wish you all a safe and fun filled Spring Break!
