

# *Community Forum - Aboriginal Education*

## *Plan to Attend*

The Vancouver Board of Education would like to hear from you about their plans they are making to begin a new program with an Aboriginal Focus.

Your ideas about this and other options for Aboriginal Education are essential for any further development of the proposal.

Please plan to attend a forum on:

**Tuesday, January 25**  
**6:30 pm**  
**Templeton Secondary School**  
**Small Gym**

The forum will be facilitated by *Jo-Ann Archibald*, a well know and highly respected educator. You will have an opportunity to provide direction for the Board in their plans to further their commitment to our Aboriginal Education Enhancement Agreement.
