Mini School Fees

TEMPLETON MINI SCHOOL FEE SCHEDULE 2016-17

Templeton's Mini School charges students for costs associated with their annual trips. Students do not pay for anything else; the Mini PAC does fundraising to offset costs for in-school activities, and for students who cannot afford trip fees. The school has also contributed funds for students requiring subsidy. There are payment options for families over the students' 5 years in the Mini School so the fees are more manageable.
