

VSB's Framework for Enhancing Student Learning

What is the "Framework for Enhancing Student Learning"?

Framework for Enhancing Student Learning reflects a public commitment by education partners to work together to continuously improve student learning for each student, and to address long-standing differences in performance amongst particular groups of students, most notably Aboriginal students, children in care, and students with special needs.

GLOSSARY

STRATEGIC PLAN

A high-level framework document intended to help the VSB achieve its overall goals. The plan is guided by a vision statement and involves setting goals, determining the actions necessary to achieve those goals, and mobilizing the resources necessary to execute the actions. The VSB's Strategic Plan provides a framework for five years – 2016-2021.

DISTRICT PLAN

Outlines major goals and objectives for the School District in the areas of intellectual, human, and social, and career development. It incorporates components of the Strategic Plan, School Plans and the Aboriginal Educational Enhancement Agreement (AEEA). Part of the plan includes a reporting out on the previous year's goals

SCHOOL PLANS

Completed by each school. School plans have a set of goals that intend to foster specific improvements in the areas of student engagement, learning and development. All school goals are reviewed and reported on annually.

AEEA

Aboriginal Educational Enhancement Agreement is an agreement between a school district, all local Aboriginal communities, and the Ministry of Education designed to enhance the educational achievement of Aboriginal students. The VSB's Second AEEA is a five year agreement – 2016-2021.
