#### TREK PROGRAM

Trek charges each student \$600 tuition. There are 112 students enrolled in the TREK program in total. Bursaries are available to students requiring financial assistance, and no student has ever been refused entry due to financial hardship.

The TREK Program charges at \$50 deposit at the time of acceptance into the program (February) and \$550 over the summer. Total fee is \$600. This tuition supports the use of certified outdoor guides (industry standard), equipment (ranges from backpacks to climbing gear, kayaks and sanitation equipment), transportation, facility rentals (campsites, trail fees and tickets) and other associated expenses.

The \$600 forms only part of Trek's operating budget, which is around \$140 000. The shortfall is made up by fundraising.

#### PW MINI

#### TEMPLETON MINI SCHOOL FEE SCHEDULE 2014-2015

Templeton's Mini School charges students for costs associated with their annual trips. Students do not pay for anything else; the Mini PAC does fundraising to offset costs for in-school activities, and for students who cannot afford trip fees. The school has also contributed funds for students requiring subsidy.

There are payment options for families over the students' 5 years in the Mini School so the fees are more manageable.
