

420 – April 20

What is 420?

420, pronounced “four twenty”, refers to consuming cannabis (marijuana) and identifying with cannabis subculture. 420 observances are based on time – 4:20pm – as well as date – April 20. On Friday, April 20, 2018, there will be a protest and farmer's market at Sunset Beach. Students are aware of 420, and schools report a number of students who either leave school to attend the 420 gathering, or use 420 as an excuse not to attend school that day.

Vancouver Board of Education Policy

Please note:

- **School is in attendance on Friday, April 20, 2018**
- **Attendance will be taken, and students WILL be marked absent as on any other day**
- **For many reasons VSB does not condone students participating in the 420 event.**
