

## Pierre Elliott Trudeau Elementary

449 E. 62nd Avenue, Vancouver, BC, V5X 2G2

### PROJECT HIGHLIGHTS

The original 1961 annex building was expanded, redesigned and seismically upgraded in 2003. The annex was converted to a full size school.

The renovations included additional classrooms, an administration wing, library, gym, multipurpose room and computer lab.

The core area of the original building was seismically upgraded in 2002. The renovated school is a one storey structure and is designed in a Contemporary architectural style. Classrooms have exterior doors to directly access the school grounds.
