

# Sir Charles Tupper Secondary

419 E. 24th Avenue, Vancouver, BC, V5V 2A2

## PROJECT HIGHLIGHTS

The original school building was built in 1957 and an addition was constructed in 1965. The school building is a four storey structure and is designed in the Early Modern architectural style. The design incorporates the use of glass block and wrought iron.

Building A was seismically upgraded in 2002. The interior layout was not significantly impacted by the partial seismic upgrade.
