

Britannia Elementary

1110 Cotton Drive, Vancouver, BC, V5L 3T5

PROJECT HIGHLIGHTS

Built in 1975, Britannia Elementary is part of the Britannia complex which includes Britannia Secondary and the Britannia community centre complex. The Britannia complex is the heart of the Grandview-Woodlands neighbourhood.

The school is a single story structure and is designed in a Contemporary architectural style.

In 2004, the original floor open-concept floor plan was redesigned into enclosed classrooms.

The school was seismically upgraded in 2009.
